Benjamin F. Edwards Named to Coveted Inc. Magazine 2025 Best Workplaces List

ST. LOUIS, June 27, 2025 – Wealth Management firm Benjamin F. Edwards has received a national Best Workplaces award from *Inc.* Magazine for 2025. This prestigious award reflects the firm's commitment to building an exceptional workplace and vibrant culture that supports its team and business.

Honorees are selected through a rigorous process that includes a company audit and a detailed anonymous employee survey conducted by Quantum Workplace. The combined scores determine which companies make the list, spanning industries and size. A total of 514 companies were honored..

Earlier this year, Benjamin F. Edwards was ranked the No. 2 overall Top Workplace in the *USA Today* Top Workplaces survey, marking the firm's fifth consecutive national workplace recognition since 2022.

"Earning a spot on Inc. Magazine's Best Workplaces list speaks volumes about the culture we've cultivated at Benjamin F. Edwards," said Tad Edwards, chairman, chief executive and president of the firm.

"This year has been extraordinary—from celebrating the opening of our 100th location to receiving another national workplace honor—all driven by candid employee feedback through an independent survey," Edwards said.

"These achievements are a direct result of the passion and commitment our team brings daily. "I'm incredibly proud of our talented, hardworking and spirited team," he added. "We've accomplished so much together, and I believe we are still in our very early stages of growth."

Inc. Magazine's Best Workplaces program celebrates the exceptional organizations whose workplace cultures address their employees' welfare and needs in meaningful ways," said Bonny Ghosh, editorial director at Inc. "As companies expand and adapt to changing economic forces, maintaining such a culture is no small feat. Yet these honorees have not only achieved it—they continue to elevate the employee experience through thoughtful benefits, engagement and a deep commitment to their teams."
